

2015 Summer Season Temporary Employment Opportunities

Allegheny, Chequamegon-Nicolet, Chippewa, Hiawatha, Huron-Manistee, Ottawa, Superior and White Mountain National Forests and Midewin National Tallgrass Prairie

These National Forests are seeking qualified applicants to fill temporary full-time positions for the 2015 summer season. To apply for any of these positions, visit www.USAJobs.gov. Vacancy announcements will be posted to USAJobs on January 28, 2015 and will remain open for 7 days. Start date, length of season and number of positions will depend upon budget. Seasonal housing may be available in some locations.

Contacts are listed below for each location where positions are available. Please contact those individuals for more information on the job, the duty station, and availability of housing.

Please note: This is a partial listing of temporary positions available. Each Unit may also have additional employment opportunities.

Biological Science Technician (Plants) - These positions may serve as part of the invasive plant treatment crews or may be part of rare plant survey and inventory crews. Duties may include: herbicide application to invasive plant populations (using backpack sprayer or truck mounted sprayer) or other treatment methods, field surveys for invasive plants, surveys, inventory and monitoring of rare plants, collecting field data and entering it into spreadsheets and databases, using GPS units, evaluating invasive earthworm infestations; and assessing habitat conditions and requirements of rare plants. The positions on Chippewa NF are nearly all rare plants work with no invasive plants control duties. Applicants need to have valid driver's license. We will be filling up to 25 positions!

HOW TO APPLY:

- You may contact the individual identified on the previous pages to get more information about the job, work location, availability of housing, etc.
- To apply for these temporary jobs you will need to apply through the USAJobs website: www.usajobs.gov. Search for the job using the vacancy announcement number provided above.

MINIMUM QUALIFICATIONS and PAY ESTIMATES

Grade	Hourly Rate
GS-4	\$13.59
GS-5	\$15.20

Example of Minimum Qualification Requirements for GS-4 and GS-5 Forestry Technicians

Grade 04: Qualifying experience for the GS-04 level includes six months general experience that demonstrates the applicant's ability to perform the work of the position or that provided familiarity with the subject matter or processes of the occupation AND six months specialized experience at the GS-03 level that is directly related to the line of work of the position to be filled and which has equipped the applicant with the particular knowledge, skills, and abilities to successfully perform the duties of the position.

SUBSTITUTION OF EDUCATION FOR EXPERIENCE: Experience requirements may be met by successful completion of two (2) academic years of post-high school education which included at least 12 semester/18 quarter hours in any combination of courses such as forestry, agriculture, crop or plant science, range management or conservation, wildlife management, watershed management, soil science, natural resources (except marine fisheries and oceanography), outdoor recreation management, civil or forest engineering, or wildland fire science. No more than 3 semester hours in mathematics is creditable.

COMBINATION OF EDUCATION AND EXPERIENCE: Equivalent combinations of successfully completed education and experience may be used to meet the experience requirements.

Grade 05: Qualifying experiences includes one year of specialized experience equivalent to GS-4. Specialized experience is experience which is in or directly related to the line of work of the position to be filled and which has equipped the applicant with the particular knowledge, skills, and abilities to successfully perform the duties of the position.

SUBSTITUTION OF EDUCATION FOR EXPERIENCE: Experience requirements may be met by successful completion of a four (4) year course of study leading to a bachelors' degree or the equivalent. Education must include at least 24 semester/36 quarter hours in any combination of courses such as forestry, agriculture, crop or plant science, range management or conservation, wildlife management, watershed management, soil science, natural resources (except marine fisheries and oceanography), outdoor recreation management, civil or forest engineering, or wildland fire science. No more than 6 semester/9 quarter hours in mathematics is creditable.

COMBINATION OF EDUCATION AND EXPERIENCE: Equivalent combinations of successfully completed education and experience may be used to meet the experience requirements.

Non-Discrimination Policy

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/ or employment activities.)
