

LOOKING FOR SUMMER EMPLOYMENT?

Kitchen & Healthcare Staff Needed

EMPLOYMENT OPPORTUNITIES

GSCI seeks Food Service and Healthcare staff for the 2014 summer camp season. Staff applications are available now. Contact Patti Flynn at the Springfield Service Center at 217-241-8130 or by email at pfflynn@girlscouts-gsci.org for more details. Salary and hourly positions available.

Food Service Managers

The Food Service Manager is responsible for the daily nutritional needs of campers and staff. They will order food, maintain the camp kitchen, and provide three balanced meals a day. Must be at least 21 years of age and possess a Food Handlers License.

Cooks

This position is responsible for preparing and serving food to campers and staff and maintaining a clean and sanitary kitchen.

Healthcare Managers

The Healthcare Manager is responsible for the general health and safety of campers and staff, maintaining the camp infirmary, administering medication and first aid, and keeping accurate and detailed records.

Camps are located in Springfield, Champaign, and Metamora (near Peoria).

Salary is based on position and experience. In addition to salary, compensation includes meals and lodging. All applicants must have the strength and endurance required to maintain the safety of campers in various outdoor conditions and experience working with children is preferred.
